## Third Sunday of Easter

### Our Parish Mission Statement:

St. Mark's University Parish provides a welcoming faith community for students, families, and individuals that share a geographic, intellectual, or historic connection to the University of Alaska Fairbanks (UAF). We exist to encourage, inform, and support the faith journey of all who have come to UAF with a background in the Catholic tradition. We provide a convenient and hospitable space for students' sacramental life, prayer life, fellowship and growth in faith. St. Mark's also provides reliable information for non-Catholics inquiring about our faith, and contributes to inter-faith discussion and ecumenical action.
