Suggested 2026-27 Book Titles for SHC Book Club for 2026-27

September 2026----Joan of Arc by Mark Twain c. 1896.

This is our summer novel. We take July and August off from discussions. Mark Twain called this his favorite book.

October and November 2026----Light On Light: Illuminations of the Gospel of Jesus Christ From the Mystical Visions of the Venerable Anne Catherine Emerich by Hurd Baruch c. 2004.

December 2026----Our Christmas Party and Gift Exchange (No discussion).

February 2027----Meditations On Death: Preparing for Eternity by Thomas A. Kempis c. 2022 (English Translation).

Ash Wednesday is February 10th. This is short but intense. If we have time, I'll pair it with a Mother Angelica short book to lighten the mood. ❤️

March 2027----Jesus and the Jewish Roots of Mary: Unveiling the Mother of the Messiah by Brant Petre c. 2018.

April/May 2027----The Warning: Testimonies and Prophecies of the Illumination of Conscience by Christine Watkins c.2020.
